THE V-FORCE 1 CART FROM CASSESE

is a numeric underpinner (v-nailer) with high speed joining capacity.

The V-FORCE 1 CART is easy to use thanks to its user-friendly keyboard and its quick and easy joining set up.

The V-FORCE 1 CART can join high and wide mouldings while ensuring a perfect joining quality thanks to the retractable tightening clamps system.

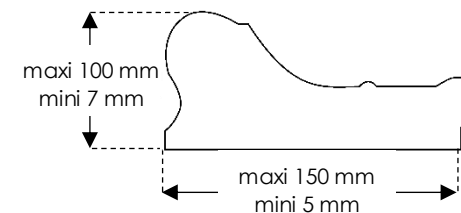

To improve your production time, you can register 9 favorites moulding profiles or use the bar code reader option.

The V-FORCE 1 CART uses Cassese cartridge wedges, recognized today as the best on the market and allowing you to load the machine faster.

DIMENSIONS

Length	650 mm
Width	600 mm
Height	1150 mm

MOULDING CAPACITY (mm)

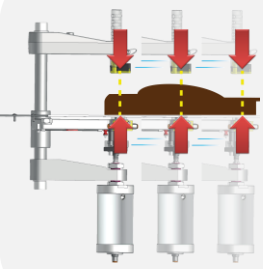

AIR SUPPLY

6 bars

1L / wedge

WEIGHT 100 kg

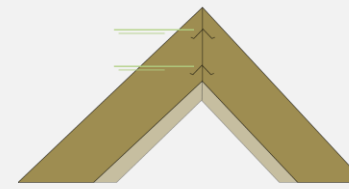

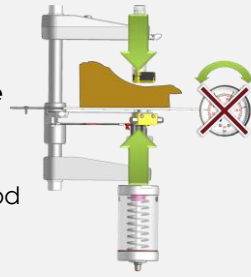

MADE IN
FRANCE

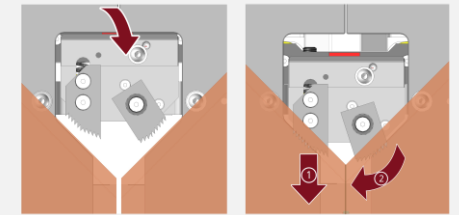

The Smart Wedge Drive System™

Auto-alignment
No need to adjust top clamp placement

Self-adjusting pressure
No need to adjust air pressure between Hardwood and Softwood

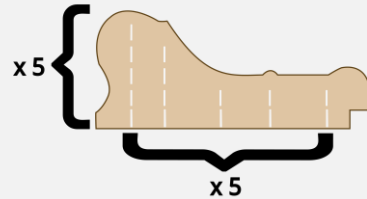

High speed joining = 3360 cycles / hour
(with 2 positions per corner)

Retractable and very powerful Ultra™ clamps (patented)

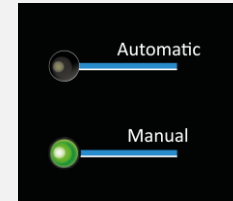

User-friendly Keyboard

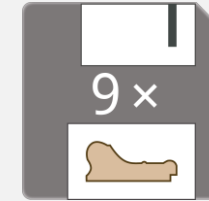

5 wedge positions
5 wedges per position

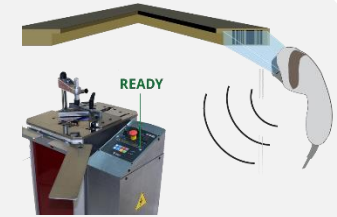

Wedge Reloading sensor

2 Joining modes : **Automatic or Manual**
