

# UNIVERSAL STAPLERS

WORKS WITH PASLODE HEAVY DUTY UNIVERSAL  $\frac{3}{8}$ " CROWN STAPLES AND MOST HEAVY-DUTY COMPETITOR STAPLES.

## HEAVY DUTY PRO STAPLER

20-GAUGE CHISEL POINT STAPLES  $\frac{3}{8}$ " CROWN  
 $\frac{1}{4}$ " -  $\frac{9}{16}$ "

- 30% easier to squeeze than other compression staplers for smoother, less tiring operation
- Ergonomic rubber handle and belt hook provide comfort and convenience for all-day use
- Durable construction built to withstand frequent, heavy-duty stapling jobs
- Engineered for professional contractors

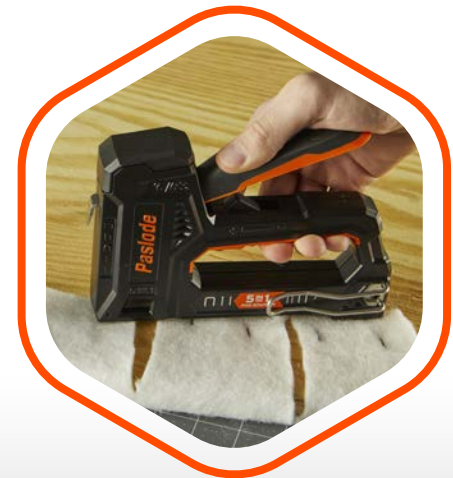

#516200

## 5 IN 1 PRO STAPLER

20-GAUGE CHISEL POINT STAPLES  $\frac{3}{8}$ " CROWN  
 $\frac{1}{4}$ " -  $\frac{9}{16}$ "

- Adjustable power control provides precision and control across different substrates
- Integrated staple remover eliminates the need for separate tools on the job
- Drives five fasteners: heavy-duty staples, cable staples, narrow crown staples, 18-gauge brad nails and pin nails
- Reversible belt hook allows left or right-handed carry

#516150

## 2 IN 1 PRO STAPLER

20-GAUGE CHISEL POINT STAPLES  $\frac{3}{8}$ " CROWN  
 $\frac{1}{4}$ " -  $\frac{9}{16}$ "

- Adjustable power adjustment provides precise control across substrates
- Integrated staple remover eliminates the need for separate tools on the job
- Quick bottom-loading design enables fast reloads and keeps projects moving
- Ergonomic rubber handle reduces fatigue during extended use

#516100

#516050

## PRO HAMMER TACKER

20-GAUGE CHISEL POINT STAPLES 3/8" CROWN  
1/4" - 9/16"

- Durable all-metal housing built for long-term professional jobsite use
- Integrated pusher spring prevents eliminates loose parts
- Bottom-loading design allows fast, easy reloads

#516000

## COMPACT HAMMER TACKER

20-GAUGE CHISEL POINT STAPLES 3/8" CROWN  
1/4" - 3/8"

- Lightweight design reduces fatigue during repetitive tacking jobs
- Bottom-loading design enables faster reloading
- Durable construction withstands tough jobsite conditions and frequent use
- Comfortable grip design for extended use
