Dealer Support

Jobsite Calls with Dealer Sales Team

Our dealer representatives are available for on-site visits to offer troubleshooting support and expertise, as well as training opportunities for both you and your customer.

Product & Safety Training

We support your customer appreciation events with live product demos, on-site tool tune-ups, exclusive event pricing, and direct access to top manufacturers, all designed to drive engagement and sales.

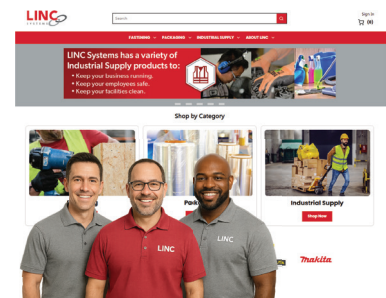

Specialty Fastening Applications

We are the fastener experts. Count on LINC Systems to advise on fasteners, tools and materials your customers' specialty application require. We provide on-site consultations and tool demonstrations to improve productivity and job quality.

Full-Service Support

Place orders, browse products, find invoices, and get support, anytime, anywhere. Access everything through our 24/7 online portal, connect with our customer service team, or talk directly with your salesperson. Online or in person.

Promotional Support

Retail Setup & Merchandising

From product selection to in-store execution, we help you create a retail experience that drives sales. Our team sets up displays, organizes fixtures, and ensures your store layout is set up for visibility and performance.

Contractor Events

We support your customer appreciation events with live product demos, on-site tool tune-ups, exclusive event pricing, and direct access to top manufacturers, all designed to drive engagement and sales.

Marketing Materials & Support

We boost brand visibility with targeted campaigns and provide ready-to-use marketing materials, flyers, social posts, event graphics, and more, to help you sell faster and smarter.

Optimal Packaging

Our packaging uses heavy-duty materials for reliable protection during shipping and storage. A clear, consistent design runs across the entire line. Smaller boxes feature a roll-end tab-lock closure for quick, secure sealing, no tape needed.
